## JUNGWOO JWPress SYSTEM WARRANTY

### Jungwoo Metals Industries Warrants:

JWPress system fittings to be free from defects in materials and workmanship under normal use and service, for a period of fifty (50) years from the warranty commencement date.

Commencement date will be deemed the date the fittings are installed.

### Jungwoo does not warrant against failure of press system fittings if:

Fittings have been modified for use.

Product is used for any purpose other than a purpose recommended and authorized by Jungwoo.

Any product is installed other than in accordance with the recommended installation guidelines provided by Jungwoo.

Damage to the product caused by: abuse, misuse, mishandling or tampering, an act of nature without limitation to the nature of such event, damages caused by physical or chemical exposures.

Jungwoo shall not be liable under any circumstances for any other direct or indirect, incidental or consequential damages of any kind, including but not limited to loss of business, profits, mold intrusion, water damages.

The liability of Jungwoo under this warranty is solely limited to the repair and replacement, including reasonable and agreed upon installation expenses, of any product that has been determined by Jungwoo, to contain a defect in either material or workmanship.

In the event a defect is believed to have occurred, installer must contact their distributor in writing or by phone and arrangements will be made for the return and testing of the "suspected" defective part.
