WARRANTY

All Cello products are guaranteed against defects resulting from faulty workmanship or materials which affect their usefulness and such products will be replaced free of charge. The company will not be responsible for labour charges or other expenses created by the replacement of the defective product or damage resulting from its use. Warranty obligations apply only when goods are used for the purpose and under the conditions for which they were intended. Cello fittings listed here are for use with soft solder piping systems. Cast fittings to be used in silver brazing systems require special silver brazing cups - please inquire when silver brazing is to be used. Every precaution has been taken in preparing this price list, however, Cello Products Inc. cannot be held responsible for omissions or typographical errors.
